PLAINFIELD FARMERS
WILL SEND MILK ELSEWHERE.

No More for Providence—They Refuse
to Assist in Loading It.

Three thousand quarts of milk were
delivered by the farmers at the Plain-
field station of the Willimantic road
providence line of the New Haven road
company to Providence dealers, but
the milk was not put on the milk train,
as the farmers stuck to their refusal to
assist in loading it.

It is reported that at other points
along the line the farmers who had
refused to assist in loading the milk
on Wednesday changed their determi-
nation, and the milk was put on the
train by them.

The milk train ordinarily discharges
empty milk cans when it takes on full
ones, but owing to the fact that no
milk was loaded on Wednesday, the
exception of eight cans at Plainfield,
there were no empty cans except the
right to put off, and consequently the
farmers here are finding themselves in
a quandary over the question of cans.

It is reported that as the result of a
conference the farmers in this section
have decided to dispose of their milk
in some other manner and to refuse to
assist in any more for Providence.

The trouble arose over the signing of
fresh contracts, and in connection
with it the farmers issued directing the
station attaches at the various points
not to handle the milk cans and
ordering the farmers to assist in load-
ing the milk. The farmers refused to
do this.

EVEN CURES ULCERS.

Remarkable Results from Skin Rem-
edy that Costs Almost Nothing.

No matter how bad a sore or ulcer
afflicts you, it is said that HOKORA,
the pure skin food, will cure it. In fact,
if the ulcer is not too deep, the purchase price
will be refunded.

The Lee & Osgood Co., the local
agents for HOKORA, who have sold
hundreds of bottles of this skin food, say
they have yet to find any
form of wound or disease affecting the
skin that HOKORA does not heal, and
they feel it so instantaneous that those
who try it are simply delighted with it.

Emphysema, blackheads, acne,
eczema, and all skin troubles are quickly
cured by applying this simple
skin food and tissue builder. It con-
tains no grease or acids, and is cleanly
to use.

The Lee & Osgood Co. are selling a
liberal jar of HOKORA at the low
price of 25c.
